3. Leadership & Team Management
4. Tax Compliance & Administration
5. Auditing & Internal Control

Work Experiences

Sekretariat Daerah Jawa Tengah – Finance Division

Feb 2025 – Apr 2025

Finance Intern

- Gained hands-on exposure to regional financial planning, budgeting, and reporting processes within a government finance environment.
- Supported the preparation of financial presentation materials on staple commodity price developments across all regencies and cities in Central Java for coordination meetings, ensuring data clarity and accuracy to support market price stabilization.
- Participated as the note-taker in National Regional Inflation Control Team (TPID) meetings, a national forum organized by the Ministry of Home Affairs and attended by all regional heads across Indonesia, contributing to the documentation of strategic discussions.
- Strengthened understanding of public sector financial governance and inter-agency coordination by supporting cross-departmental processes and multi-stakeholder discussions, resulting in more structured coordination outcomes.

Badan Pendapatan Daerah DKI Jakarta (Jakarta Smart Tax) – Finance Division

Jan 2025 - Feb 2025

Tax Intern

- Analyzed local tax regulations and electronic tax data systems to support administrative compliance processes.
- Assisted payroll administration for 350 employees by verifying payroll-related documents, reviewing employee attendance and lateness records, and supporting accurate payroll calculation and reporting processes.
- Reviewed more than 300 survey team performance documents per week to identify discrepancies and potential irregularities, ensuring accuracy and compliance with internal standards.
- Compiled, organized, and archived annual operational reports using Microsoft Excel to improve documentation efficiency.
