PROFILE

Fresh graduate in Food Technology from Universitas Gadjah Mada with hands-on experience in Quality Control and Assurance within FMCG-related food manufacturing environments. BNSP-certified in HACCP with strong understanding of GMP implementation, sanitation control and quality documentation. Experienced in applying QC 7 Tools for root cause analysis on food production lines. Demonstrated ability to coordinate cross-functional teams and support continuous quality improvement in fast-paced operations

EDUCATION

Universitas Gadjah Mada Bachelor of Food and Agricultural Products Technology	August 2022 – January 2026
GPA: 3.71/4.00 Relevant course: Unit Operation, Quality Control, Food Safety, Factory Design, Economic Engineering Achievements: Funded in Student Creativity Program in Exact Sciences Research (PKM-RE), Ministry of Education, Culture, Research, and Technology Republic of Indonesia 2024	

CERTIFICATION

Certification in Preparation HACCP Document BNSP	November 2025 – November 2027
--	-------------------------------

WORK EXPERIENCE

Quality Control – Intern PT So Good Food	December 2024 –February 2025
- Conducted root cause analysis using QC 7 Tools on reject and rework products, supporting corrective actions that reduced recurring quality issues and reduced rework frequency on the So Nice production line. - Supported GMP compliance and quality supervision activities in processing line through data-driven evaluation	
Research & Quality Development Project Lead Universitas Gadjah Mada	February – June 2025
- Led end-to-end development and pilot to market scale-up of a cream cheese product, completing formulation optimization and quality validation within targeted development timeline and generating 500+ units sold. - Coordinated cross-functional collaboration across formulation, sensory evaluation quality control, and production, resulting in the successful development of a cream cheese based product with 73% consumer acceptance.	
Research & Quality Validation Project Lead (PKM-RE) – Contract Kemendikbudristek	May – August 2024
- Led a nationally funded IDR 8.5M R&D project developing active packaging, Conducted physical, microbiological, and chemical analyses to validate product quality and shelf-life performance of active packaging systems. - Managed research planning and execution, including supervision of physical, microbiological and chemical analyses to generate validated data supporting product quality and shelf-life decision making.	
Unit Operation & Process Laboratory assistant – Contract Universitas Gadjah Mada	February – June 2025
- Standardized and coordinated extraction unit operation workflows in accordance with defined SOPs, ensuring consistent execution and operational control across 109 participants. - Conducted operational training and competency assurance, achieving 100% procedural compliance, and supporting continuous improvement through structured data recording and corrective reinforcement.	

ORGANIZATION & VOLUNTEERING

Head of External Relation & Entrepreneurship Animal Community UGM	January – December 2024
- Directed an 8 member External Relations division, managing external partnerships, strategic communications, and cross-organization collaborations. Successfully generating over 200 merchandises sold in the market. - Led external partnerships and fundraising initiatives, managing collaborations with 20+ organizations and overseeing market-based merchandising activities.	

VOLUNTEERING EXPERIENCE

Product Innovation and Quality Supervisor POMN Kemendikbudristek	October- December 2024
- Developed commercially viable instant herbal formulations (jamu instan), achieving 200+ units sold during soft launch and establishing standardized community production workflows. - Led production training and supervised quality control for instant herbal products, empowering and training 20 women from the local PKK community to ensure consistent production standards.	

SKILL and LANGUAGE

Soft skills: Leadership, Project management, communication, Team Work, Relation and Negotiation
Hard skills: QC Documentation, Root Cause Analysis, SOP Compliance, HACCP & GMP Implementation, Food Safety Monitoring, Data analysis (excel & basic statistic), Microsoft (excel, word, power point)
Language: English (Professional Proficiency), Indonesian (Native)
