EXECUTIVE SUMMARY

Fadya (20) is a dedicated and proactive third-year Food Engineering student at Bandung Institute of Technology (ITB). Learn a lot of things about food safety, quality management systems, and product development during the major. I am deeply committed to continuous growth with strong interest in **Quality Assurance (QA), Quality Control (QC), Research and Development (R&D), and Process Engineering (PE)** in the **Food & Beverage (F&B) industry**. My curiosity drives me to constantly learn, adapt, and embrace challenges.

EDUCATION

Institut Teknologi Bandung

2023 – Present
