EXECUTIVE SUMMARY

Khiren, an undergraduate student of Food Engineering at ITB, is passionate about exploring new ideas and sharing her knowledge with others. While she thrives in leadership roles, she equally enjoys being an active team member, connecting with new people, and building strong collaborative relationships.

Interest: Research, Major Development, Public Relation

EDUCATION

Institut Teknologi Bandung

Teknik Pangan, Fakultas Teknologi Industri (GPA: 3.82/4.0)

2023 – Present

PROFESSIONAL EXPERIENCES

Food Engineering, Institut Teknologi Bandung

August 2026 – Present

Assistant Lecturer – Mass and Energy Balance

- Assisted tutorials and discussion sessions on mass and energy balance for undergraduate Food Engineering students.
- Evaluated assignments and supported course administration, including preparation of learning materials.
- Mentored students in applying material and energy balance calculations to food processing problems and case studies.

Pusat Rekayasa Katalisis Institut Teknologi Bandung

July 2025 – August 2025

Intern

- Conducted laboratory testing and analysis using analytical instruments (e.g., GC) and documented experimental data.
- Supported catalyst synthesis and pilot-scale process operations, including material preparation, unit operation, and process monitoring.
- Developed and updated laboratory SOPs, managed equipment inventory, and assisted in technical project and knowledge dissemination activities.

Master TPB

July 2025 – December 2025

Mathematics Tutor for TPB ITB Students

- Delivered one-on-one tutoring in Calculus and Basic Mathematics for ITB's Common Preparatory Stage (TPB) students.
- Customized lesson plans and explanations to support diverse academic backgrounds and learning paces.
- Helped students improve exam readiness and academic performance through targeted practice and concept reinforcement.

Institut Teknologi Bandung

September 2024 – November 2024

Mathematics and Physics Student Centre for Learning (SCL) Assistant

- Guided and directed students in solving SCL module exercises.
- Discussed selected problems and provided in-depth explanations to students.
- Answered various student questions to enhance understanding of the material.
- Contributed to fostering an interactive and collaborative learning environment.

Basic Physics Laboratory, Institut Teknologi Bandung

Practicum Assistant Coordinator

September 2025 – Present

- Coordinated and supervised practicum assistants to ensure smooth and efficient laboratory sessions.
- Managed scheduling, task delegation, and adherence to safety and instructional standards.
- Collaborated with laboratory technicians to optimize practicum workflow and support student learning.

ORGANIZATION EXPERIENCES

Himpunan Mahasiswa Teknik Pangan ITB (HMPG ITB)

August 2024 – Present

Head of Knowledge and Innovation Division

- Led innovation-driven programs to strengthen research mindset and problem-solving skills in food technology and processing.
- Initiated and managed academic initiatives such as food processing articles and competition preparation workshops focused on analyzing real industry and food processing challenges.
- Coordinated cross-functional teams to develop and implement knowledge-based projects, achieving high participation and program effectiveness.

Career Development Staff

- Assisted in planning and executing career development programs, workshops, and company engagement initiatives for Food Engineering students.
- Coordinated communication with industry partners to support internship, networking, and recruitment opportunities.
- Developed informative career resources and managed event documentation to improve student participation and professional readiness.

Keluarga Mahasiswa ITB (KM ITB) Keresidenan Jatinangor**July 2025 – Present****Deputy Head of Secretariat**

- Coordinated administrative and documentation systems to ensure efficient organizational operations and data management.
- Supervised secretariat activities, including correspondence, meeting documentation, and internal reporting.
- Supported cross-division coordination and ensured the timely preparation of official documents and organizational archives.

Panti Goceng Region Bandung**August 2025 – Present****Director of Event and Development**

- Led the planning, coordination, and execution of community-focused programs and fundraising events to support the organization's mission.
- Oversaw volunteer management, partnership outreach, and resource allocation to ensure smooth and impactful event delivery.
- Designed and implemented development initiatives aimed at improving program sustainability, beneficiary engagement, and long-term organizational growth.

Pendamping Sebaya ITB**January 2024 – January 2026****Head of Member Management**

- Developed a comprehensive member evaluation matrix to assess performance and engagement.
- Strategically allocated human resources for large-scale peer mentoring events.
- Supervised and ensured the performance and active participation of 60+ members.

PROJECT / VOLUNTEER EXPERIENCE

Asrama Festival ITB**May 2025 – June 2025****Head of Main Event**

- Designed and led the full sequence of events for the Asrama Festival, targeting all ITB dormitory residents.
- Organized flagship programs including a talent competition (Asrama Next Star) and the Asrama Awarding.
- Coordinated with multiple divisions to ensure smooth execution, high participation, and memorable event experiences.

Pembinaan Terpusat Februari Asrama ITB**January 2025 – February 2025****Head of Main Event**

- Designed and organized the entire event series, targeting 500 participants.
- Developed concepts for seminars, talk shows, and workshops.
- Allocated resources and ensured seamless event execution.

Pemilu HMPG ITB 2024**November 2024 – January 2025****Chief Executive**

- Ensured the successful execution of the entire election event series.
- Managed team operations, overseeing six divisions.
- Developed and reviewed election regulations and procedures.

IYREF 2025**July 2024 – June 2025****Manager of Participant Affairs**

- Developed and implemented targeted marketing strategies.
- Identified and mitigated potential risks, providing concrete solutions to ensure smooth operations.
- Applied a hands-on leadership approach, overseeing planning, execution, and post-event evaluations.

Psychological First Aid (PFA) 2024**June – August 2024****Head of Material and Method**

- Managing team and coordinating with other division and QC
- Making ToR material and method for 5 external speaker
- Working using google workspace managing 5000+ participant data
- Contacting speaker and ensure that the speaker provide the material needed on time

ACHIEVEMENTS

- **First Winner of Full Paper Product Development Processing Competition (PDPC) FEF ITB 2025** November 2025
- **First Winner and Favorite Winner of Packaging Innovation Competition WONDERFOODY ITERA 2025** October 2025
- **First Winner of Full Paper Food Product Development Competition (FPDC) 2025** September 2025
- **Finalist Essay Competition I-Challenge** April 2025
- **First Winner and Favorite Winner of Creative Video Competition "Wearwise"** May 2025
-
